Tennis Policies

This set of policies has been developed to prevent the spread of Covid-19 and other communicable diseases between participants and staff members.

1. Health Practices

- a. Participants and staff should wash hands or sanitize after; every clinic, touching their face, touching someone else or their equipment, using the restroom, taking or administering medication, handling garbage or garbage receptacles, coming in contact with bodily fluids. Hands should also be washed/sanitized before clinics.
 - i. Sanitizer will be provided. However, participants are encouraged to bring their own.
- b. Staff will fill out the health log each day when they show up for clinics.
 - i. Staff who exhibit symptoms of Covid-19 as defined by the CDC should stay home.
- c. Instructors will wear clean masks while greeting and checking in participants. They may remove them during gameplay situations where physical distancing is in place. Participants must have a mask on hand but do not need to wear it during play. If symptoms develop during a clinic, they should put on their mask and leave immediately.
 - i. Participants may not return to clinics until they are symptom free, without medication, for 72 hours. We may require a doctor's note to return to clinics.
- d. Limit physical contact to only necessary first aid interactions.
- e. Gates will remain open to limit high touch surfaces.
- f. Instructors must participate in contact tracing efforts of the County should there be an infected individual in the clinic.
- g. Coaches will use their own hopper to pick up their feeding set of balls only.
- h. Unnecessary touches such as high fives, hugs, fist bumps, etc. are prohibited.
- i. Sharing of personal items is highly discouraged.
- j. Participants should come prepared with their own water and snacks.

2. Distancing & Groups

- a. Participants will be limited to 5 per court with one instructor.
- b. Everyone should maintain physical distance of 10 feet or more during high cardiovascular output.
 - i. Instructors must remain with their group throughout the session.
- c. Players need to select the appropriate clinic for their level of play. Be honest with yourself. Please consult pros if you need guidance.

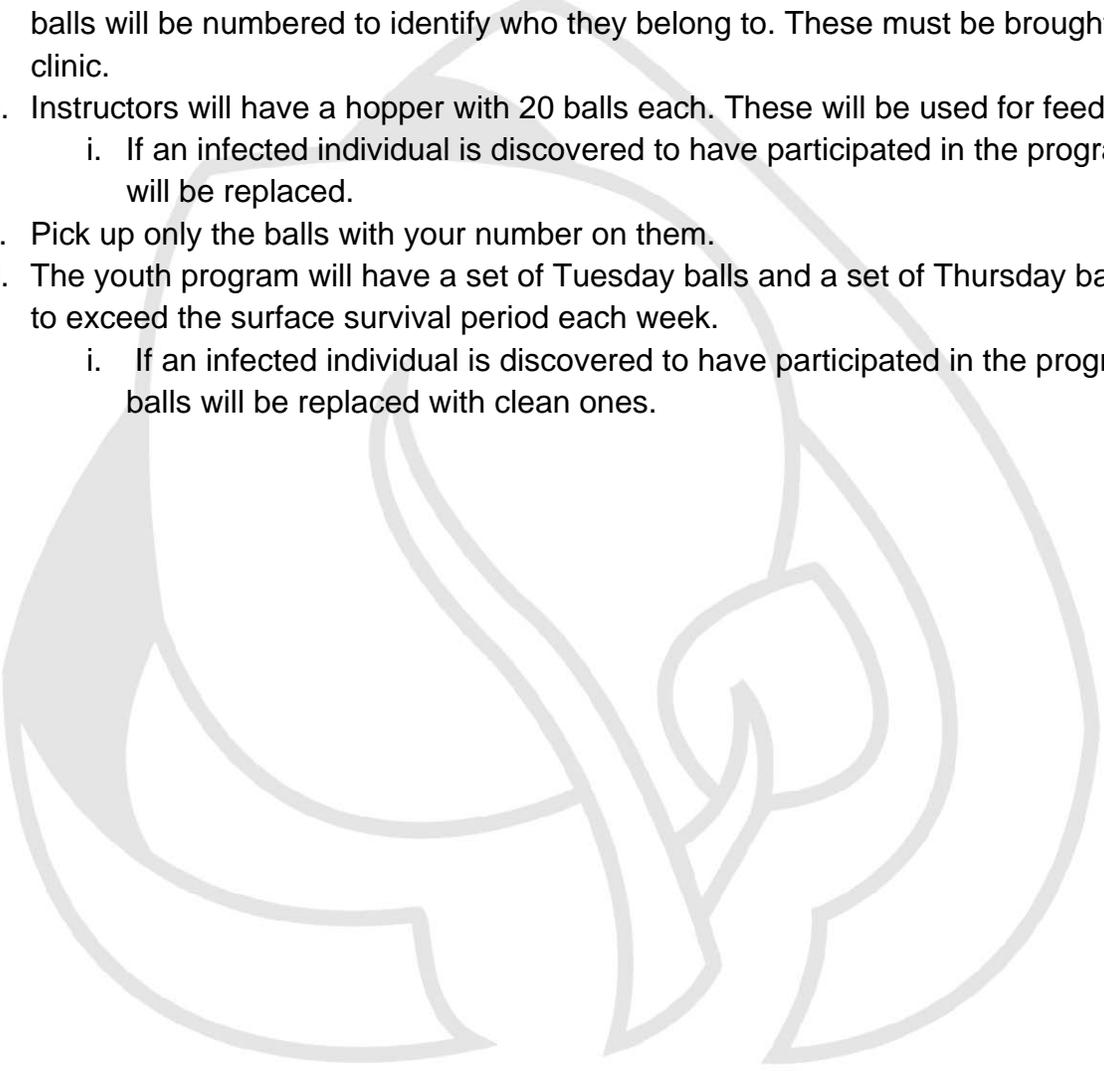

3. Registration & Attendance

- a. Online registration only. No drop in or pay on-site registration will be available this year.
- b. Please call if you are interested in a partial session.
- c. Do not arrive more than 10 minutes before your session begins.
- d. Participants should leave as soon as their session has concluded.

We value community connection, high quality of life, accessibility, healthy lifestyles, fair play, sportsmanship, economic vitality, and responsible stewardship of public funding.”

4. Balls

- a. Participants will receive three balls that are theirs to keep for the session. Each set of balls will be numbered to identify who they belong to. These must be brought to each clinic.
- b. Instructors will have a hopper with 20 balls each. These will be used for feeding drills.
 - i. If an infected individual is discovered to have participated in the program, all balls will be replaced.
- c. Pick up only the balls with your number on them.
- d. The youth program will have a set of Tuesday balls and a set of Thursday balls. This is to exceed the surface survival period each week.
 - i. If an infected individual is discovered to have participated in the program, all balls will be replaced with clean ones.
